PRODUCT LEAFLET

Rental plate with camlocks

003.1121 Rental plate with quarter turn latches

On a location where someone uses 1 projector in multiple rooms, the projector can be fitted with a projector specificbracket (art. nr.: 002.1001) and the projector ceiling or wall mount can be fitted with this rental plate with quarter-turn locks. This allows a quick installation of the projector or a quick change in rooms.
